(a) The Expenditure Reforms Commission identified 5603 posts of the Ministry, excluding Prasar Bharati, for abolition. Category-wise details are given in Statement (*See* below).

(b) The Committee recommended closure of Films Division and Photo Division, handing over the functions being performed by the Directorate of Field Publicity and Song & Drama Division to the State Governments and handing over the functions of Publications Division to other formations of the Central Government.

(c) The recommendations have been given on the premise that documentary films can be produced and photo coverage arranged by concerned Ministries, growth of other media, role of the State Government in the areas where these units operate and existence of organisations of the Central Government performing related functions.

(d) Such a move would adversely affect the production of documentary films in the country, take away the interactive means of communication from publicity efforts, keep the large areas not convered by the electronic media out of reach of publicity campaigns and lead to waste of expertise acquired by these units in their respective fields.
